

Code Conquest Competition

Creating a Captivating Game in Scratch

CODING GAMES
in **SCRATCH**

Code, Create and Conquer...
Power up Your Imagination...
Turn Ideas into Adventures...

Rules and Guidelines

- ✓ The contest is open to all the students from Grade VI & VII.
- ✓ The participation is individual.
- ✓ The participant should come up with their own original idea for the game, and not copy it from pre-existing Scratch projects.
- ✓ The entire game should be created using Scratch coding. No other platforms or tools are allowed.
- ✓ The game should be engaging and concise. The duration should not exceed 5 min.
- ✓ The participant has to build the entire project from scratch in the school computer lab on **Thursday, 18th January 2024.**
- ✓ The competition aims to make the participant enhance and showcase their creativity, logical reasoning and programming skills.
- ✓ Participants are encouraged to explore available Scratch tutorials and resources. However, direct copying of code or game elements is not allowed.
- ✓ The interested candidates should give their name to the Class Teacher by **Monday, 8th January 2024.**
- ✓ The decision of the judges will be final.
- ✓ The winning entries will be selected based on the following criteria :
 - ❖ Creativity & Design
 - ❖ Experience & Engagement
 - ❖ Originality & Uniqueness
 - ❖ Programming Skills
- ✓ For any clarifications, contact your Computer Teacher.

We look forward to witnessing your Gaming Greatness! Happy coding!
