Unleash Your Imagination...

Let Your Creativity Take a Flight...

Rules and Guidelines

- ✓ The contest is open to all the students from Grade IV & V.
- ✓ The participation is individual.
- ✓ The participant should come up with their own original story, and not copy the idea from pre-existing Scratch projects.
- ✓ The entire story should be created using Scratch coding. No other platforms or tools are allowed.
- ✓ The duration of the animated story should not exceed 3 minutes.
- ✓ The participant has to build the entire project from scratch in the school computer lab on **Friday, 19th January 2024**.
- ✓ The competition aims to make the participant enhance and showcase their creativity, knowledge, and logical reasoning abilities.
- ✓ Participants are encouraged to explore available Scratch tutorials and resources. However, direct copying of code or elements is not allowed.
- ✓ The interested candidates should give their name to the Class Teacher by **Monday, 8th January 2024**.
- ✓ The decision of the judges will be final.
- ✓ The winning stories will be selected based on the following criteria :
 - ❖ Creativity & Design
 - ❖ Effectiveness & Engagement
 - ❖ Originality & Uniqueness
 - ❖ Programming Skills
- ✓ For any clarifications, contact your Computer Teacher.

We look forward to witnessing your imaginative creations! Happy coding!
